

CITY HALL IMPROVEMENTS

Brandon, MS

Estimated Cost: \$3,000,000

Federal/State Funds: \$450,000 (CDBG)

Guest Consultants was hired as a team member to complete site plans, CDBG applications and construction inspection for the construction of a new municipal complex for the City of Brandon. This CDBG project created a city hall that today includes the offices of the Mayor, Public Works, Community Development, City Clerk, and a Senior Citizen Center.
